Principles

All members of The Langley Academy Trust community have a responsibility to seek to ensure that The Langley Academy Trust is free from discrimination of any kind.

Issues of equality should be part of the education of all learners. In this way we can work towards mutual respect and understanding in an increasingly interdependent world.

Our Equality Policy is designed to help us positively promote each other's individual rights and our responsibilities towards others.

Our guiding principles are enshrined in the Equality Act which came into force October 2010, replacing the Race Relations Act 1976 and the Disability Discrimination Act 1995. The Equality Act brings together nine pieces of legislation into one single Act, simplifying the law and reducing the burden on organisations by making it easier for institutions to comply with discrimination law.
