# Parlaunt Park Primary Academy

Parlaunt Park Primary Academy is a popular community school with recently modernised buildings that became a sponsored Academy within The Langley Academy Trust and opened in September 2014. The Langley Academy Trust provides support and expertise to Parlaunt Park to allow the new Headteacher and staff to focus on providing an outstanding, holistic and exciting education for all of its pupils.

Parlaunt Park caters for children between the ages of 3 and 11 years. The school was originally built in 1952 as a separate Infant and Junior School. The two schools were amalgamated in 1987 under one Headteacher. The school has three classes in each year group with 635 children on the roll plus a Nursery of 87.

Every child who attends Parlaunt Park is viewed as unique and treated as such. They are encouraged to become independent thinkers with a love for life and learning. Parlaunt Park is known for its wide variety of extra-curricular activities with children competing and performing at a local and sometimes national level. Their enthusiasm is stimulated by dedicated staff members who share the ambitions of The Langley Academy Trust to motivate the pupils to be inquisitive and thoughtful learners who will go on to success at secondary school and beyond.

## About The Langley Academy Primary

The Langley Academy Primary is a three-form primary school for pupils aged 4 to 11 years old. It opened in September 2015 for 90 Reception pupils. From then on, our intake will grow year on year until we reach our full capacity of 630 pupils in 2021. At the end of Year 6, pupils from The Langley Academy Primary will be given priority admission to The Langley Academy (secondary), creating an 'all-through' Academy. September 2016, will also see the opening of our Nursery class.

We are committed to providing an outstanding educational experience that will meet the needs of all children, whilst developing their love for learning, based on our strapline: 'Curiosity, Exploration and Discovery'.

Our vision is to create an outstanding all-through school. We provide a 21<sup>st</sup> century curriculum that puts children first. Pupils learn from first-hand experiences, stemming from our Museum-Learning focus; they develop skills to be independent, reflective, critical thinkers with a passion for learning. We teach the whole child by offering a holistic curriculum. We ensure we build on children's skills and interests to promote their readiness to learn. These experiences are enriched through extra-curricular projects and trips, supported through our Secondary Academy. Our staff are key in turning vision into a reality.

As a new school, we are determined to bring the best opportunities to our pupils and their families. Our new building has been designed to support the curriculum and ensure our pupils have an outstanding education.

# The Langley Academy

**The Langley Academy** opened in September 2008 through the Department for Education's Academies Programme. It is a unique Academy that serves the young people of Langley, Slough and further afield. Housed in an iconic building, it specialises in Science, pioneers the use of museum learning and aims to become a centre of excellence for sports, notably rowing and cricket. At the heart of its vision, The Langley Academy aims for the highest achievement for all and to provide a welcoming, imaginative and creative environment which enriches the lives of all involved. We aspire to instil traditional values and promote respect for other beliefs. The Academy strives to be at the forefront of science education and has developed links with national and regional museums to add an external dimension to learning.

We are proud of what we and our students have achieved and we are confident that we will continue to achieve high standards for all our students and our local community.

In its most recent Ofsted inspection in 2013 The Langley Academy was rated good with outstanding elements. The Ofsted report states that:

*'The main reason why achievement is good is because the majority of teaching is typically good and sometimes outstanding, and it is well matched to the needs of most students. Students have outstanding attitudes to learning. Behaviour is excellent. Relationships throughout the academy are extremely positive and this ensures that the academy is a calm, purposeful environment in which to learn. The sponsors' vision permeates all aspects of academy life and the Principal, leadership team and those who lead subjects and house groups are relentless in driving improvement.'*
